

He Has Made Me Glad

I will enter His gates with thanksgiving in my heart, I will enter His courts with praise.
I will say, "This is the day that the Lord has made!"
I will rejoice for He has made me glad.
He has made me glad. He has made me glad. I will rejoice for He has made me glad.
He had made me glad. He has made me glad. I will rejoice for He has made me glad.

In Christ Alone

In Christ alone my hope is found, He is my light, my strength, my song;
This corner stone, this solid ground, Firm through the fiercest drought and storm.
What heights of love, what depths of peace, When fears are stilled when striving cease.
My comforter, my all in all, Here in the love of Christ I stand.

In Christ alone who took on flesh, Fullness of God in helpless babe.
This gift of love and righteousness, Scorned by the ones He came to save.
Till on that cross, as Jesus died, The wrath of God was satisfied;
For every sin on Him was laid. Here in the death of Christ I live.

There in the ground His body lay, Light of the world by darkness slain;
Then bursting forth in glorious day, Up from the grave He rose again.
And as He stands in victory, Sin's curse has lost its grip on me,
For I am His and he is mine, bought with the precious blood of Christ.

No guilt in life, no fear in death, This is the pow'r of Christ in me;
From life's first cry to final breath, Jesus commands my destiny.
No pow'r of hell, no scheme of man, Can ever pluck me from His hand;
Till He returns or calls me home, Here in the pow'r of Christ I stand.

Only Trust Him

Come, ev'ry soul by sin oppressed, There's mercy with the Lord,
And He will surely give you rest, By trusting in His Word.

(chorus)

Only trust Him, only trust Him, Only trust Him now;
He will save you, He will save you, He will save you now.

For Jesus shed His precious blood, Rich blessings to bestow;
Plunge now into the crimson flood, That washes white as snow. (chorus)

Yes, Jesus is the Truth, the Way, that leads you into rest;
Believe in Him without delay and you are fully blest. (chorus)
